Docket No. 40-8838-MLA

ASLBP No. 00-776-04-MLA

June 6, 2006

NOTICE

(Notice of Opportunity to Make Oral or Written Limited Appearance Statements)

This proceeding involves the application submitted by the Department of the Army for an amendment to its NRC materials license (License No. SUB-1435). The amendment would authorize an alternate schedule for the submittal to the NRC Staff of a decommissioning plan for Licensee's Jefferson Proving Ground (JPG) site located in Madison, Indiana. Such a plan is required because there is currently amassed on that site a considerable quantity of depleted uranium (DU) munitions, the result of the Licensee's conduct, between 1984 and 1994 and under the auspices of the NRC materials license, of accuracy testing of DU tank penetration rounds. On February 2, 2006, this Atomic Safety and Licensing Board granted a petition to intervene and request for hearing filed by Save the Valley, Inc., and deferred any hearing pending the completion of the NRC Staff's technical review. LBP-06-06, 63 NRC 167, 185-86.

On April 27, 2006, after completion of its technical review, the NRC Staff issued the requested license amendment. As a consequence, on May 1, the proceeding was restored to fully active status. Licensing Board Memorandum and Order (Scheduling Further Proceedings) (May 1, 2006) (unpublished). This Atomic Safety and Licensing Board hereby gives notice that, in accordance with 10 C.F.R. § 2.315(a), the Board will entertain oral limited appearance statements from members of the public in connection with this proceeding.

A. Date, Time, and Location of Oral Limited Appearance Statement Session

The session will be held on the following date at the specified location and time:

DATE: Tuesday July 18, 2006

B. Participation Guidelines for Oral Limited Appearance Statements

Any person not a party, or the representative of a party, to the proceeding will be permitted to make an oral statement setting forth his or her position on matters of concern relating to this proceeding. Although these statements do not constitute testimony or evidence, they nonetheless might help the Board and/or the parties in their consideration of the issues in this proceeding.

Oral limited appearance statements will be entertained during the hours specified above, or such lesser time as might be necessary to accommodate the speakers who are present.¹ In this regard, if all scheduled and unscheduled speakers present at the session have made a presentation, the Licensing Board reserves the right to terminate the session before the ending time listed above. Any members of the public who wish to make an oral statement are advised to be present at the limited appearance session at precisely 6:30 p.m. The time allotted for each statement normally will be no more than five (5) minutes, but may be further limited depending on the number of written requests to make an oral statement that are submitted in accordance with Section C below and/or the number of persons present at the designated time.

¹ During the limited appearance session signs no larger than 18" by 18" will be permitted, but may not be attached to sticks, held up, or moved about in the room.

C. Submitting a Request to Make an Oral Limited Appearance Statement

Persons wishing to make an oral statement who have submitted a timely written request to do so will be given priority over those who have not filed such a request.
